BULLETIN NO. 14-4

March 2014

SPECIAL EDITION

Newly-Designed Pennsylvania Collectible Registration Plates

PennDOT is proud to announce the issuance of the newly-designed Collectible Registration plates. The Collectible Registration plates were redesigned to allow them to be incorporated into PennDOT's "family of plates" color scheme.

The updated plate designs reflect the "family of plates" color scheme of blue, white and yellow. Pennsylvania is printed at the top of the plate and the words "Collectible Vehicle" are printed at the bottom of the plate for the collectible vehicle registration plate and "Collectible MC" is printed at the bottom for the collectible motorcycle registration plate. In addition, the words "PA Collectible Vehicle" are printed on the left side of the passenger plate. The old-style classic registration plates with gold lettering on a black background are still valid and will remain in use.

Vehicle owners who have the old-style collectible registration plate and wish to obtain the newly-designed plate may request a replacement plate featuring the updated design by completing Form MV-44, "Application for Duplicate Registration Card, Replacement of Registration Plate, Renewal Sticker or Weight Class Sticker of Transfer of Registration." In Section B, the reason block "other" would be checked and the explanation should indicate "new-style collectible plate requested." The replacement fee of \$7.50 is required. Owners are not required to replace their old style plate with the new design.
