

John's Auto Tags & Driving School has assisted Davis Dealerships (Davis Honda & Davis Hyundai) with their Pennsylvania motor vehicle needs for several years. The relationship has developed throughout the years and together we made a big difference in the timely processing of our PA customers' tags. The employees at John's are always friendly and willing to assist us with questions or problems we come across. They also make our customers a priority in processing work on the spot, while assisting their own walk-in customers at the same time.

I would highly recommend John's Auto Tags & Driving School for all your Pennsylvania motor vehicle needs, the staff is highly knowledgeable in a variety of Pennsylvania motor vehicle needs and will make you feel like you are top priority every time.
